between October 1st and November 15th. The Annual Parts Return must be accompanied with a purchase order of equal or greater value than your return. Only parts less than 18-months old are eligible for return. No returns will be issued for hardware, brooms and brushes, used, obsolete, electrical or special order parts. NO EXCEPTIONS. Returned items must be deemed resalable, in original packaging and free of additional labels or markings to be considered for a refund. Any items with additional markings or labels will be returned at sender's expense. Dealer is responsible for the freight of the return. All restocking fees are waived on Annual Parts Returns and Johnston Sweepers/BMNA will pay ground freight on qualifying purchase orders.

Johnston Sweepers/Bucher Municipal North America account holders will receive credits directly into their account.
