

Spare Parts Catalogue

CN101 - Rev C

Deutz D2011

7021502 - Revision C

Foreword

This parts catalogue will assist you in ordering parts and serves as a assembly/disassembly reference when used in conjunction with the Maintenance Manual procedures.

Safety Notice

The universal safety symbol is used throughout this manual to indicate information which is essential for the health and safety of all operating personnel.

The BoM number on each page is for Johnston internal reference only.

Each illustration begins on even pages and each parts list begins on odd pages to minimize page swapping while searching for parts and locations.

Johnston® is a registered trade mark of Johnston Sweepers Limited.

All copyrights and rights reserved. The reproduction, distribution and utilisation of this document as well as the communication of its contents to others without the express authorisation of Johnston Sweepers Limited is prohibited. Offenders will be held liable for the payment of damages. All rights reserved in the event of the grant of a patent, utility model or design.

Every endeavour has been made to ensure that the information contained in this Manual is correct, but due to continuous product development, the Company reserve the right to alter contents without notice. This document should not be interpreted as being part of a formal contract.

Ordering Parts

Upon delivery, fill out the information below and use as a reference when ordering parts.

General Instructions:

1. Provide name and address of where to deliver parts.
2. Provide complete serial number.
3. Provide part number, description and quantity for each part required.
If not sure of part number, provide a detailed description of part and where it is used.

Vehicle Type: Left Hand/Right Hand Drive

Johnston Serial No:

VIN No:

Date Delivered:

Hours on delivery:

Extras fitted:

	
Type Approval No	<input type="text"/>
Vehicle Ident. No VIN	<input type="text"/>
Gross Vehicle Mass	<input type="text"/>
Gross Train Mass	<input type="text"/>
Front Axle Mass	<input type="text"/>
Rear Axle Mass	<input type="text"/>
 Serial No <input type="text"/> 	
<small>Johnston Sweepers Ltd, Castle Road, Sittingbourne, ME10 3JP, UK</small>	

When ordering spare parts the Johnston Serial number should be quoted. The number will be found stamped on a plate similar to that shown above, attached to the side of the LH seat base.
